

## **Training Course for a Massive Open Online Course (MOOC) on "Nanotechnology and Nanosensors"**

by Prof. Hossam Haick  
Nanotechnology Institute Technion - Israel  
Institute of Technology, Haifa, Israel  
IL MC Member of COST Action TD1105

The Prof. Hossam Haick, Nanotechnology Institute Technion - Israel, and IL MC Member of EuNetAir, is pleased to inform ALL interested people (e.g., graduate and undergraduate students) to follow the **Training Course for a Massive Open Online Course (MOOC) on "Nanotechnology and Nanosensors"**.

The course will teach very soon through Coursera. The course is **FREE** and open for registration.

The details of the course and the registration could be done through the following link:

<https://www.coursera.org/technion>

A certificate will be provided to successful participants by the end of the course.

*Other info and details on Open Online Course can be asked directly to:*

**Prof. Hossam Haick**

Head of the Laboratory for Nanomaterial-Based Devices (LNBD) and Volatile Biomarkers  
Department of Chemical Engineering and  
Russell Berrie Nanotechnology Institute Technion - Israel Institute of Technology
